

The 2023 Studies In The Scriptures Conference

Your King Is Coming *Studies in Zechariah*

Welcome! We are delighted that you have chosen to be part of the 2023 *Studies In The Scriptures Conference* as we explore the book of Zechariah.

George Robinson said of Zechariah's prophecy: "[T]he scope of the prophet's vision and the spiritual profundity of his thought challenge the most earnest reflection. In fact, it is no exaggeration to affirm that of all the prophetic compositions of the Old Testament, Zechariah's visions and oracles are the most messianic, and accordingly, the most difficult, because mingled and intermingled with so much that is apocalyptic and eschatological." (*The Twelve Minor Prophets*, 148)

Anyone who has studied this challenging book and tried to teach it to others will likely agree with Robinson's assessment. Hopefully, our study of Zechariah will help all of us better understand his prophecy and long for the King who came first in the Incarnation and will come again in the Second Coming (Heb. 9:26-28).

The next two days will be a time of intensive study and reflection designed to help each of us see Him more clearly, love Him more dearly, and follow Him more nearly. Thanks for coming! May the Lord richly bless our study together.
